SERVING THE FOOD INDUSTRY SINCE 1951

22" Countertop Display Warmer Front Curved Glass

ITEM:	41870	41868
MODEL:	DW-CN-0045-L	DW-CN-0025-L

Keep your food Fresh, Hot, and Ready to Serve.

Serve your customers fresh and delicious warm products with Omcan's countertop display warmers, designed to be the perfect solution for convenience stores, cafés, and small delis. Built with durable stainless steel construction and hinged glass doors, these warmers not only ensure lasting performance but also allow for an attractive presentation of your food. The clear glass design gives customers an excellent view of your offerings, helping to boost sales while keeping items at the ideal serving temperature.

Each unit comes equipped with fixed chrome-plated shelves that provide sturdy support for a variety of products, along with a water bowl to help maintain optimal moisture levels. A digital temperature controller makes it easy to precisely adjust and monitor heat settings, ensuring your food stays fresh, warm, and ready to serve at all times. With their durable build, practical features, and sleek design, these display warmers are an excellent choice for showcasing and serving warm food products with quality and style.

FEATURES:

- Fixed chrome-plated shelves
- Digital temperature control
- Built-in water bowl to maintain food moisture
- Durable stainless steel construction
- Hinged glass door
- Consistent heat maintains warmth
