Refrigerated Single Wine Cooler with 81 Bottles Capacity

ITEM: 43458 MODEL: WC-CN-0400

Display and preserve your fine wines with style and precision—enhancing presentation and boosting sales.

The perfect solution for storing and showcasing a variety of fine wines, Omcan's Single Zone Wine Cooler is designed for restaurants, bars, and liquor stores. With a sleek, space efficient design, it holds up to 81 bottles, keeping your collection organized and beautifully displayed.

The single zone cooling system maintains ideal wine storage temperatures with consistent performance, while the top-mounted compressor ensures quiet operation and prevents damage from residue. LED lighting illuminates the interior to highlight your selection, while the digital temperature controller and display offer precise control and easy to use settings. Adjustable shelves and four casters provide easy setup and smooth mobility for effortless placement.

FEATURES:

- Quiet operation
- Triple hollow transparent glasses used on door & body
- 81 bottles capacity
- Single zone cooling
- 4 casters included for easy mobility
- Adjustable shelf heights
- Compressor and cooling system on top
- LED lighting
- Digital temperature controller & display
