35 L / 1 shelf

Keep your food warm, fresh, and ready to serve.

Omcan's display warmers are designed to keep your products fresh, warm, and ready to serve. Ideal for convenience stores, cafés, and small delis. Designed with durability and style in mind, each unit is constructed from high-quality stainless steel that ensures long-lasting performance even in busy commercial environments. The sleek design not only withstands heavy use but also complements any food service setting with a professional appearance. The front and rear hinged glass doors provide easy access from either side, while also giving customers a clear view of the products inside.

The units are equipped with fixed chrome-plated shelves that provide stable support for a variety of hot food items, keeping them neatly organized and easy to access. An adjustable temperature controller allows precise heat regulation, ensures your products stay at the ideal serving temperature while preserving taste and quality. Built with a sturdy and reliable design, these warmers are a practical solution for showcasing hot food items while delivering consistent results.

FEATURES:

- Fixed chrome plated shelves
- Stainless steel construction
- Front & Rear hinged glass doors
- Adjustable temperature controller
