REFRIGERATOR

STANDARD-TOP SANDWICH/SALAD PREP TABLE

Added space allows for extra rows of pans.

1/6 size clear Lexan pans included. *Note: will hold up to 6" deep pans (by others).*

Full length, heavy-duty 5/8" thick cutting board is included.

Vaulted self closing doors that remain open at 90 degrees.

Solid door construction with stainless steel handle.

Magnetic door gaskets are removable and replaceable without tools.

Easy to mount plate casters (two locking) are standard with all units.

Large fan motors and blades for more efficient air flow ensuring faster temp recovery times.

Interior cabinet is bright white ABS liner with full stainless steel floor with coved corners.

Electronic thermostat with external digital LED display for accurate control and easy reading.

Self contained capillary tube system using environmentally friendly R290 Hydrocarbon gas.

Exterior cabinet construction consists of full stainless steel front and sides.

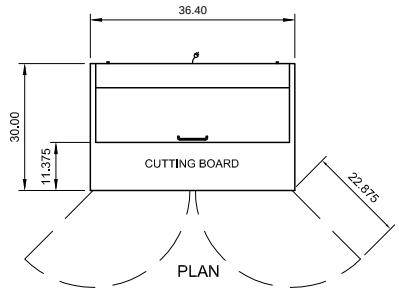

Efficient condensate hot gas loop built into condensate pan for energy saving evaporation of excess condensate water.

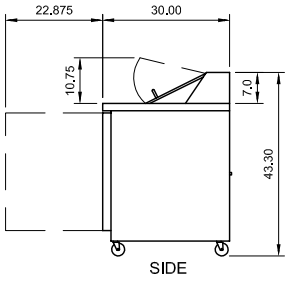

- Tested to NSF Standard 7 requirements for open food storage.
- Standard with full **three** year parts and labor warranties and a **six** year compressor warranty.
